Spring 2015

Come discover a unique library experience at the Greenwood Lake Public Library!

Library News...Most of us associate "Spring" with change and new beginnings. This holds very true for our library this spring, as we celebrate the retirement of our Director, Joan Carvajal, and the appointment of a new Director, Jill Cronin, in April.

I have spent 18 of my 20 years at the Greenwood Lake Library working with Joan Carvajal - the last 8 of which we shared an office, attempting to manage the day to day affairs of this wonderful, wacky place we lovingly refer to as "Libraryland". In April, Joan and her husband, Louie, will be retiring from life in Greenwood Lake and embarking on an adventure to phase 2: Las Vegas, Baby!

While we are so very happy for her, knowing this is long-planned and well earned, it is bittersweet. We will lose an asset to the community, an amazing Library Director and staff mentor, and a dear, dear friend! For in these 18 years we have celebrated together, laughed together, cried together, supported each other and worked side by side to keep a vision for our Library that the community can be proud of.

From Computer Services Supervisor, to Adult Programming, Reference, Head of Circulation, Assistant Director and, finally, Director, Joan has touched every aspect of this Library, leaving her mark of excellence in each and every corner. We have on-line resources, e-books, digitized local history, a full service web page, Facebook, an unsurpassed DVD collection, the Book Lover's Club and this newsletter, just to name a few of her many contributions.

But in our hearts the greatest moments are told in the hundreds of inside jokes, glances that exchange a thousand words, memories of co-workers loved and lost, and all that you share when you roll up your

sleeves and change a one-room schoolhouse into a vision of the future.

We couldn't have done it without you, Joanie...or wanted to! Thanks for always making it fun - and doing it right!

Sandy Newman, Secretary to the Board/Asst. Treasurer
