

Greenwood Lake Public Library

Policies Manual

Section IX

Unattended Children Policy

The Greenwood Lake Public Library is dedicated to providing a welcoming environment that encourages children to visit the Library, use Library collections and services, and attend Library programs. Library staff are available to assist and support children with their use of Library resources. However, the Library cannot be responsible for children who are left unattended on Library premises. Unattended children are children 17 years of age or younger who are unaccompanied by a parent, guardian and/or responsible caregiver in the Library. Children under the age of 10 must be accompanied by an adult at all times.

Parents, guardians and/or caregivers are solely responsible for the safety and behavior of their children. They are advised that children, like all Library users, are expected to comply with the Greenwood Lake Public Library's Use of Library policies and a child who violates those rules may be asked to leave Library premises. Parents, guardians and/or caregivers must inform themselves as to scheduled Library closing times and be aware that a Library facility sometimes may have to close unexpectedly due to emergencies or safety issues. It is the responsibility of parents, guardians and/or caregivers to let their children know what they should do if they must leave the Library.

Library staff may call the police or other appropriate agency if a child is left unattended when the Library closes or if a child otherwise appears to be at risk. Under no circumstances will a staff member drive a child home.
