Hello again, my fellow Lakers,

Let me start this seasonal message with a big Thank You for voting our budget in and electing a new Trustee to our Board. I know you all wish Deb Searle a hearty welcome as do we, here at the library. Deb continues the long family legacy of public service that her parents, Jane and Don Santarpia, established over many years. We look forward to her perspective and input.

Our library, and all the RCLS member libraries, will be migrating to a new operating system this summer. We are confident that it will be easier to use and more accurate for our patrons and we've been preparing our inventory and staff for the change. The switch will take place the first week of August and even with our best efforts, we'll ask you to be a little patient with us for a bit while the bugs are worked out.

We continue our building renovations with a new ramp to the kid's room being next on the list, thanks to yet another grant through the NYS Library Construction Aid program. Our legislators, Senator James Skoufis and Representative Karl Brabenec, are unfailing at their efforts to keep libraries funded and strong. They make our own efforts possible.

Our dedicated staff members have furthered their library skills through training in each of our online databases and resources. We can help you navigate setting up an account, beginning a research paper, finding scholarly, peer reviewed information on a current topic or downloading a movie or the latest music. Just ask, we'd love to help.

Well it's time to get ready for our Summer Reading Program; it's as engaging as ever. Take a long look inside and put the registration date on your calendar. We'll see you soon.
